- 13) Read the passage given below and answer the questions at the end.

The supervisor would have to change his attitude towards people first. The staff under him must be perceived as human beings with feelings and needs. They are not automations within a complex work machinery. One of the greatest needs of a worker today is to have a feeling that he is in control of his work place and not *vice versa*. The best way is to satisfy this need as far as possible. He must feel first, that his work is meaningful. To do this the supervisor must delegate responsibility and limited authority for the man to execute his job well.

- 1) Write the adjective form of 'responsibility'.
 - 2) The noun form that could be formed from the word 'perceived' is ?
 - 3) Write a suitable synonym for *vice versa*.
 - 4) The noun form of the word 'complex' is ?
 - 5) The adjective which could be made from the word 'automation' is ?
 - 6) Suggest suitable title to this passage.
- 14) Prepare a report of a seminar organized in your college.
