

Batman : Where is he ?

Joker (laughing) : You see, this is the thing about people like you – morality, principles, rules. They're all so fragile. The second you're pushed into a corner, you forget them. You think you're better than me, but deep down, you're just like me.

Batman : We are nothing alike.

Joker : Oh, but we are. You won't kill me because of your code. And I won't kill you because you're just too much fun. I think you and I are destined to do this forever.

Batman : Tell me where he is, or I swear –

Joker : Ooooh, so you do have some fight in you! Then let me give you some real bad news, Batsy. It's all part of the plan. And the thing about chaos – it's fair.
